

GPL/LGPL/Apache Software Licenses Used by the Product

Thank you for purchasing an NEC public display.

1. GPL/LGPL/Apache software

The product includes software licensed under GNU General Public License (GPL), GNU Lesser General Public License (LGPL) or Apache License.

We disclose the software's source codes so that you may get, copy, distribute and modify it licensed under GPL, LGPL or Apache .

- We cannot answer any question relating to the contents of the source codes.
- There is no guarantee or warranty for the disclosed GPL/LGPL/Apache software in itself, which does not influence the conditions of the warranty or guarantee for the product. That is followed with the terms of warranty attached to this product.

[Getting the source codes]

Request the source codes from the following website.

<https://www.sharp-nec-displays.com/jp/contact.html>

2. Other third-party software

The product includes software licensed under the licenses below.

For the license agreements below, refer to file inside the folder.

ethtool 3.18	ser2net 2.10.0-2	lua-cjson 2.1.0
lighttpd 1.4.45	libjson-c 0.12	lua 5.1.5
