

GPL Software Licenses Used by the Product

Thank you for purchasing an NEC public display.

1. GPL software

The product includes software licensed under GNU General Public License (GPL). We disclose the software's source codes so that you may get, copy, distribute and modify it licensed under GPL.

For the full text of GPL, refer to "lgpl.txt" and "gplv2.txt" and "gplv3.txt" in this folder.

- We cannot answer any question relating to the contents of the source codes.
- There is no guarantee or warranty for the disclosed GPL software per se, which does not influence the conditions of the warranty or guarantee for the product.
